FALL PROTECTION
PRODUCT GUIDE 2023
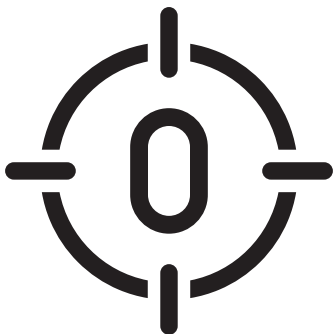

#*TARGETZERO*:*falls*

Primeline Tools' goal is to set a target of zero injuries for workers at heights. We aim to achieve this by emphasizing education in safety protocols, the importance of exercising caution when working at heights and the use of safety equipment of the highest quality. At Primeline Tools, we pledge to do our part by making safety equipment we would recommend to our own families. By purchasing this Primegrip safety harness you are doing your part in bringing the number of jobsite accidents and injuries closer to zero.
